

# Words Given at the 2014 Christ the King Vigil Mass

*(May the Holy Spirit guide you as you read and meditate on these Words.)*

## **1. Paco Gavrilides**

My people, I say to you exalt Me. Lift My name on high.  
Raise your voices in praise and exultation to your King.

Yes, I will be exalted in your midst and I will reveal My glory, My sovereignty, My power.

Yes, this night, with jubilant joy, exalt Me. And I will be exalted and I will reveal to you who I am in a fresh and new way. For I am in your midst and I seek to gather you to Myself and lift you up into My presence this night.

Even now let your hearts be burning with zeal to worship Me well. Worship Me in the capacity that you have and I will give you the might of My Spirit to worship Me with great power, with great freedom.

For I am a sovereign God, a Holy God and I dwell in your midst, and I wish to bless you as you turn to Me and worship Me with whole hearts, says the Lord.

## **2. Tom Stempky**

The Lord says...look on my face and see the Alpha and the Omega, the God who was who is and who is to come...The God who is the same yesterday, today and forever. Look on My face and see the God who has emptied Himself, who holds nothing back from My children, so that you can be filled with joy, comfort and hope today...and live with a glimpse of what is to come tomorrow. Be at peace!

My face transforms lives, changes minds, and encourages My sons and daughters in faith. My face causes clarity to hearts and minds and evokes awe and courage and deep healing that gives Me 'such joy' to continue to lavish My grace upon you. My face transforms hearts to begin to praise and honor Me without restraint!

Can you not see how deep My love is for you? BE FREE! Can you not see how My heart beats in place of your heart? BE FREE TO LOVE My children! Can you not see the depth, the width, the height, the breadth of My love for you? BE FREE to be loved My sons and daughters! Let those who you look upon and those who look up you...see only ME!

My dear precious children, I AM grateful for your faithfulness, your endurance in sorrow, your simplicity, your child-like demeanor. I love to look at your face...says the Lord. I love to be with My family.

### **3. Carrie Zahm**

I have a great purpose in mind for you. I am about a mighty work. I am raising up an army for My Kingdom. Who among you will hear My call? Who among you will answer? Are you ready to abandon yourself to My purpose? Are you ready to lay down your thoughts for My thoughts? Are you ready to lay down your will for My will?

There will be a time of training for battle. There will be a time of pruning and refining in the crucible of affliction. There will be a time when the winds will roar and the seas will roll. But My grace will be enough for those who call on My Name. My peace will reign in the hearts of those who have given themselves to My purpose.

If you answer My call you will be My light in the darkness. You will be a city set on a hill. Your joy will be complete in Me and those around you will know Me because they will see what you have and hunger and thirst for Me.

My people, will you answer My call? I long to reveal My power through you. I long to reveal My love through you.

Will you abandon all for Me? Come to Me. Hear my call and answer.

### **4. Michelle DiLaura**

Oh My people  
I your King hear your praises  
I receive them  
I see them  
I see them My people  
As I look across the vastness of My Kingdom  
They rise  
Your praises  
They rise

I hear them My people  
I hear especially the voices  
Of My children who labor under heavy burdens  
Of sorrow, suffering and weakness  
Your praises My humble ones, pave pathways  
Of power throughout My Kingdom  
Your praises are My delight.

Praise on My children,  
All of you, praise on!  
Praise is the very life of My Kingdom

I lay the mantle of My mother upon you all My children  
She is the queen of My Kingdom. She will lead you to adore My Father as you have never adored before.  
So praise on!
